## The ZCMB - A Brief History

Zanesville flourished with performing arts activities in the late 1800s, and the John Bauer Band was among them. The band was organized before 1880 and averaged 15 to 20 members. When the band leader died in 1912, his ensemble was taken over by the American Rolling Mills Company, and became known as the Armco Band.

The 7th Regiment and Armco bands held their concerts locally, in McIntire Park and Putnam Park. By 1923, the two bands had merged, taking the present day name of Zanesville Memorial Concert Band.

Today, funds for the concerts are raised by individual and corporate contributions. An endowment fund has also been established for anyone wishing to make a donation towards the ZMCB.

The band's current home is Zane's Landing Park, along the eastern banks of the Muskingum River in downtown Zanesville. Concerts are performed on five Sunday evenings through the summer.

Concerts remain free to the public, thanks to the generosity of our supporters.
